

RESIDENT LIFE

Suggestions for Congregations: Connecting with Martha & Mary during Covid-19 Ways to Bring Joy

Resident Life staff have suggested these ways that congregations could participate in the daily life of residents during Covid-19.

1. Provide supplies for activities. Colored pencils and Adult Coloring Books.
2. BINGO prizes. BINGO is the highlight of the week for many. There is now limited BINGO played each week. Ideas might be lotions, stuffed animals, a pack of commercially packaged cheese and crackers, cookies, popcorn, etc.
3. Provide birdseed(just seeds with no hulls) and clear hummingbird food. Many residents have birdfeeders outside of their room. Staff fills the feeders for residents as requested.
4. Newspaper subscriptions. This can be an expensive item, but many residents enjoy the daily paper and we can always use more copies. There is limited sharing of the papers at this time.

Staff contacts:

Tracie Walthall, Resident Life Director

360-779-4019 twalthall@mmhc.org

Missy Jarvis-Crawford, Resident Life Assistant Director

360-779-4021 mjarvis@mmhc.org

Please mark the items for “Activities” and bring to the front door of Martha and Mary.
